

The Rembrandt

Knightsbridge
London

The Rembrandt is a historic hotel with a modern vibe in London's fashionable area of Knightsbridge and South Kensington.

Located directly across from the Victoria and Albert Museum, and within a 5-minute walk of the Natural History and Science Museums, the hotel is surrounded by culture. Harrods and the famous Knightsbridge shopping district are also only a 5-minute stroll.

A favourite of independent business and leisure travellers The Rembrandt offers all the right ingredients of a modern four-star London hotel, including free WiFi, a cosy restaurant and lounge bar, as well as a relaxing spa and fitness centre. Its 193 beautifully modernised Edwardian bedrooms are smartly designed to meet the needs of modern travellers. The six elegant function suites are perfect for business meetings and events or private parties and celebrations.
